

Congratulations Davy & Dana!

We will be missing Davy and Dana at the studio in June/July as they will be working professionally as dancers for Bonnie Lythgoe in her production of Peter Pan at the Gold Coast Arts Centre. This is a great opportunity for the kids and they had to learn a whole new routine and get through a gruelling 9 hour audition to get the job. I am particularly proud of our two as they were competing against performers aged up to 13 and 14 learning the same dance - so VERY challenging material for little 8 and unders.

Our beautiful past student, Campbell MacCorquodale, who is now living in Melbourne will be performing the same role in the Melbourne production.

Bookings for the show can be made here
