CSTD Exams

Congratulations to all students who sat CSTD tap and jazz exams. The results were excellent with 87% of entrants receiving Honours or Honours Plus. This is especially outstanding as we only sit the advanced level exams and do not enter any of the lower levels where it is of course much easier to get top marks.

Huge thanks to Tess and Abby for all their hard work with the kids.

Special congrats to Rhea who topped the state for her Int Gold Tap exam and was awarded on stage at QPAC.

Amazing results for Brooke at Silkstone Drama Eisteddfod.
So many overall awards!

Keep an eye out on TV for

Davy who will be dancing in the Lord Mayor's Christmas Carols this year. He is one of the lead child dancers after an extensive audition competing against hundreds of young dancers.
