

# Costumes 2016 Eisteddfod

*This note will not only tell you what costumes you need but also what items you will be in. If you think we have you in the wrong items or have forgotten you please do email straight back and let us know.*

## COMPULSORY COSTUME SWAP/CHECK DAYS

We need all students, one parent per student, costumes indicated below INCLUDING ALL headpieces and accessories.

**8 & UNDER – 6.45-7.30pm WEDNESDAY 10 MARCH**  
**ONLY Aladdin show, Tick Tock ballet, Snowman & Christmas**

**10 & UNDER – 7.00-7.45pm THURSDAY 11 MARCH**  
**ONLY Snoopy, Born Entertain, Mary Poppins Ballet & Matilda**

**12 & UNDER – 7.45-8.30pm THURSDAY 11 MARCH**  
**ONLY Slow Me Down, All Best, Chitty/Blow Gabriel & Shout**

**15 & UNDER – 8.45-9.30am SATURDAY 12 MARCH**  
**ONLY Body Electric, Amazing Grace, Gatsby, Hoodie Hip Hop, Seize Day**

**\*If you have been asked to buy second hand costumes please contact the seller immediately (ideally by text or email as less intrusive) and ensure you are able to buy their costume. YOU NEED ALL COSTUMES BY 10 MARCH at latest for costume swaps If you are not able to buy the costume please let us know immediately or you won't end up with a costume at all!**

**\*If I have NOT indicated for you to buy the costume from someone I believe you already have it. If you DON'T please let us know immediately!! We will need to find you one ASAP or you won't end up with one at all.**

**\*You have been given the contacts of who to purchase second-hand costumes from. It is your responsibility to text/email them and arrange to get the costume from them and pay them directly for it. We cannot take**

payments through the studio as we are forced to charge GST, credit card fees and a handling charge which defeats the purpose of cheaper second hand costumes for you. We also cannot take responsibility for the safety of payments left at the studio. There will be a rack in the waiting room to hang costumes on as they are being passed on.

**\*When you get your second-hand costume check it has all any accessories it should have such as gloves & headpiece. Also check the condition of the costume BEFORE you pay for it. Make sure there are no obvious holes or huge stains (small marks are fine and will not show up on stage) and MOST IMPORTANTLY NOTHING IS MISSING! renegotiate price if there is. To replace a pair of gloves or headpiece that is missing can cost \$10-\$20 so make sure you don't pay full price if it is incomplete.**

**\*Please don't assume you will be able to get a new costume if you don't organise a second-hand one. Some fabrics are no longer available so it is impossible for us to make ANY new costumes for some items.**

**\*Please, please do not do any swapping, buying or changing around of costumes unless where we have asked you to. It takes Mum & I hours and hours to work out costumes each year and there is a quite complicated system to ensure everyone gets a costume and that as many second hand ones are utilised as possible. If you buy a second hand one we haven't asked you to or buy one from someone other than who we have listed it ruins the whole system.**

**\*You may have been asked to buy a costume that you know won't fit or is not EVEN the correct character. Don't fret. We will not let a child go on stage in costume that doesn't fit properly or the wrong character. It is just easier to let the new kids buy the second-hand costumes directly from the kids leaving the item. Of course the spare costumes tend to be big as they are the older kids who have moved out of the age group and the kids buying them tend to be small as they are just coming into the age group. It doesn't matter. As long as you get a second-hand costume it will be OK. We have compulsory and essential costume swap days when we will swap all the costumes around anyway.**
