## Costs

There are no extra CLASS costs to be in the concert as items are rehearsed during class time in term four (just check the new timetable as some times have changed) and any extra rehearsals are FREE of charge. Your term four fees cover all of this. However, most students will need at least one costume which parents purchase - we have tried to give you approximate prices on the previous page - and anyone watching the show (including performers who wish to watch) will need to purchase a ticket. Tickets are approx \$30 +GST for adults. Performers only in one or two items may also watch and they have a special reduced price of \$15.

## Commitment

Items are rehearsed in regular classes following the term 4 timetable (attached) There are just a few extra dates you will be needed for

Bring a plate to share.

# **Safety at concert**

**Staff are frantically busy on concert day and cannot take responsibility for the children's safety or for helping dress etc. For this reason we suggest that all performance students (NOT Mummy and Me, Just Me, Monday recreation students and Juniors only in one item) arrange to share dressing and childcare duties with another family on concert day. You will need to arrange this BEFORE you purchase tickets. Our suggestion is that you find a family similar to yours and arrange that one family will watch the morning show while the other dresses and cares for the children. For the second show you just swap. This means everyone gets to watch and enjoy the show uninterrupted but you also know your child/ren are safe and correctly costumed at all times. If you are new and don't know everyone just email and ask for suggestions of who you can share with.**

**ORGANISING COSTUMES IS A MASSIVE JOB AND WE HAVE ALREADY BOUGHT A LOT OF MATERIAL! PLEASE LET US KNOW IMMEDIATELY IF YOU ARE NOT TAKING PART IN THE CONCERT OR ANY PARTICULAR ITEM!!**

Please just let us know ASAP yes or no - so we know how many costumes to make. If you come Wednesday you will be in both concerts for all items.

**#We are now at the level where we need to use external choreographers for many items to continue extending the students. 13+ Cabaret, Street Tap and Jazz plus 11-15s Hip Hop and tap along with Boys Gangster Item will be taught by guest choreographers. They will have approximately a 4-5 hour rehearsal with the choreographer to learn the work then we will just run/polish them in this timetable. Rehearsals for these items will have to be Sundays and Tuesdays as they are the only days we have studio space free. We will try and schedule then in the first 4 weeks of term four.**
